

A VOLUNTEER NON-PROFIT SOCIETY

The Nelson Cycling Club works to develop cycling opportunities for the benefit of our community.

- Improving and maintaining trails and trail access.
- Providing riders with a fun bike skills park in Rosemont.
- Hosting, with the help of our awesome sponsors, Annual Bike Swap, fun 'Fiver' group rides and the Fat Tire Festival.

THE TRAILS

We encourage all trail users to become members of the Nelson Cycling Club. Your membership is a vital show of support for the continued development and maintenance of the amazing trail network in Nelson and Area.
